

Homoeopathy University

Estd. vide Homoeopathy University Act 2010 (Act No. 6 of 2010) Govt. of Rajasthan
& Recognized by UGC- u/2(f) of UGC Act 1956

QUALITY IMPROVEMENT BY VARIOUS INITIATIVES

A clear vision and mission focusing on quality has enabled Homoeopathy University to earn a place as single faculty University in the country. The IQAC monitors performance of constituent units through sub-committees. They conduct various activities, document them and report to IQAC. These committees also help IQAC in conducting academic and administrative audits.

Feedback from stake holders is used for implementing quality enhancement initiatives. Inputs from external agency (NABH), Regulatory Councils(NCH) and others (AAA, ISO) are used for quality advancement. This has enabled Homocopathy University in its holistic development. Improvement in the performance through quality audits conducted as well as the achievements are as follows:

S.No	ACADEMIC	ADMINISTRATIVE	INFRASTRUCTURE
