

WORLD POPULATION DAY 11 JULY 2016
JANSANKHYA NIYANTRAN JAGRUKTA MARCH

REPORT

The march began at 11 a.m. of 11th July 2016 from Homoeopathy University Campus, Saipura.

Along with Final Year Students and Community Medicine Teachers, M.D. Scholars from Repertory Department also participated in it.

JANSANKHYA NIYANTRAN JAGRUKTA (The Population Control Awareness) programme was carried out at Saipura Bus Stand, Madrampura and Sanganer.

Active involvement of public was seen. People told that they wished the same Programme to be carried out since long. People also inquired if they could do anything in the programme. They were told to first understand it themselves and then make others aware about the same. Women were also curious about it. They were made to understand about the requirement of Population Control and ways of Family Planning by the women Counsellors.

After contacting as many people as could be, the march reached the campus back at 3.40 p.m.
